Campaigning;

We believe children should be valued as children, not consumers.
Our Bye Buy Childhood campaign aims to empower families to challenge the commercialisation and sexualisation of childhood through positive action.

Mothers' Union takes part in 16 Days of Activism Against Gender Violence, which runs from 25th November – 10th December every year.
Help us join with others from around the world to end violence against women and girls, by raising awareness and calling for change.
