Registered Charity Number 249942

Members knit Comfort Teddies

They are given to children
by ambulance and fire brigade personnel,
and to children who
arrive with their mum at refuge centres

Members knit clothes and blankets for Premature Babies

Cardigans, jackets, bonnets, booties and
mittens are sent to local hospitals with
Neo-Natal Units

We also make gowns for stillborn babies

Members put together bags of toiletries for people in hospital

Each bag contains, soap, facecloth, tissues
toothbrush, toothpaste, and 'wet-wipes'

These are given by hospital staff to
patients who are taken to the A&E
Assessment and Frail Admissions Areas

Church members donate Easter Eggs

These are then delivered by Mothers' Union Members
to disadvantaged children

Members provide essential items including toiletries, nappies and underwear for women and children who have to flee from their homes and go into refuge centres
